ABOUT US

Working since 1992 our specification is with professional engineers, supervisors and good quality of construction infrastructure. We use advanced construction tools.

We are a global integrated construction and facility management services firm. Our clients entrust us to deliver the projects that will build their futures. From sustainable building to the latest in Lean construction technology and management, above all else, we are advocates for our clients. We'll make your goals our own, and strive relentlessly to exceed them.

We are one of the renowned quality- oriented organization and quality is our main aim towards which we are dedicated. We use high quality raw material throughout our service in every field as we are one of the renowned quality centric organization and quality is our prior aim.

Our team is managed and guided by Managing director S. Charanjeet singh, who has achieved excellent exposure of 33 years in civil engineering services by providing complete client satisfaction.

We also own all the subsidiary tools related to construction work like..

Batching Plant, JCB, CRANE, TM, TRACTORS, TRALIS, GAMZEN MACHINES, TIPPERS, FIORI etc.

S. Charanjeet Singh
